Two games of baseball are sched h # # # uled for next Sunday afternoon at the Moililli grounds, the first contest will be a battle between the sons of Nippon and the department hospital team of Fort Shafter, which will take place at 1:30 p. m. The closer will be the game between the recently organized All-Chinese team of the Oahu league, and the Portuguese A. C., which will follow immediately after the first game.

Both the Chinese and the Portuguese managements are trying to get their teams in trim, so that when the Oahu league opens next June, the boys will be in first rate condition. The two teams need plenty of work, and the special series which has been arranged will give the boys good training.
